RT @NikolaiKirienko @SunnieSouthern @SunnieSouthern: "We spend more on Healthcare than China does on everything" @bobkocher #dataforum

18-Oct-11 20:08 | GHideas

Ending a data conference with California Love? Perfect. #dataforum

18-Oct-11 20:07 | kellyfiresheets

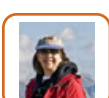

Congrats! @HealthLandScape for the "People's Choice Award" #Dataforum

18-Oct-11 19:54 | SunnieSouthern

Congrats to @HealthLandscape! #dataforum

18-Oct-11 19:53 | kellyfiresheets

People's Choice Award #dataforum goes to HealthLandscape

18-Oct-11 19:53 | MGM Cincy

Health landscape @healthlandscape wins #dataforum

18-Oct-11 19:53 | RobinPregnancy

So many great examples of public/private/government #collaboration today! #dataforum

18-Oct-11 19:49 | kellyfiresheets

About to disappear and drive home from #dataforum #birthgenius to class #mph <-- not miles per hour

18-Oct-11 19:48 | RobinPregnancy

Still time to vote for your favorite innovation!! text 303.900.4581 #dataforum

18-Oct-11 19:47 | kellyfiresheets

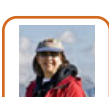

Now to find out which innovation wins at #dataforum

18-Oct-11 19:46 | RobinPregnancy

View quality #data for #Kentucky hospitals: <http://t.co/2wrzAGa2> #dataforum

18-Oct-11 19:43 | kellyfiresheets

Kentucky quality indicators has hospital quality rating, hospital utilization, maps of avoidable stays and county rates of use #dataforum

18-Oct-11 19:40 | MGM Cincy

Deborah Cohen talks about EHR for behavioral health - can look at data in real time to improve care #dataforum

18-Oct-11 19:27 | MGMCincy

@sngsoprano1: EHRs offer a wealth of data, but you have to know what's in there and how to get the data out. #dataforum

18-Oct-11 19:26 | kellyfiresheets

Woo hoo! @kyhealthfacts: Just volunteered Alison Davis for a webinar on the KY Health Market Report based on her talk at #dataforum.

18-Oct-11 19:25 | RobinPregnancy

Beyond meaningful use, Community Mental Health Center is using EHR to improve #behavioralhealth says @sngsoprano1 (Debbie Cohen) #dataforum

18-Oct-11 19:25 | kyhealthfacts

@sngsoprano1 from @univskyofky at #dataforum

18-Oct-11 19:24 | RobinPregnancy

RT @Innov8forHealth: Lot's of opportunities to #Innov8! #Cincinnati has one of the highest rates of adoption of EHRs in the country @HealthBridgeHIO #dataforum

18-Oct-11 19:22 | ankg

Just volunteered Alison Davis for a webinar on the KY Health Market Report based on her talk at #dataforum. Hope she doesn't mind.

18-Oct-11 19:18 | kyhealthfacts

Don't forget to vote for your favorite health innovator (cough kyhealthfacts cough cough). #dataforum

18-Oct-11 19:14 | kyhealthfacts

Cedik provider of Kentucky economic data. Producer of Ky. Health care market report. Alison Davis #dataforum

18-Oct-11 19:13 | MGMCincy

RT @kyhealthfacts: CEDIK looks at how health data drives local economies says Alison Davis from @universityofky #dataforum

18-Oct-11 19:12 | kellyfiresheets

CEDIK looks at how health data drives local economies says Alison Davis from @universityofky #dataforum

18-Oct-11 19:12 | kyhealthfacts

RT @RobinPregnancy: Change is coming, it should be rapid compared what we've seen. #birthgenius #dataforum

18-Oct-11 19:11 | BreastfeedingNY

Also look at social accountability of medical schools with med school mapper. #dataforum

18-Oct-11 19:10 | MGMCincy

UDS mapper can help allocate scarce safety net resources more effectively. #dataforum

18-Oct-11 19:08 | MGMCincy

RT @MGMCincy: UDS mapper integrates mapping with clinical info for strategic planning. Andrew Bazemore #dataforum

18-Oct-11 19:07 | kyhealthfacts

A. Bazemore from @graham_center gets the best opening slide prize: <http://t.co/4TpTDCoE> #dataforum

18-Oct-11 19:04 | kellyfiresheets

Can't provide community oriented primary care without data says Andrew Bazemore #dataforum

18-Oct-11 19:04 | kyhealthfacts

@JeanetteIBCLC I'm also attending a data forum today. #birthgenius #dataforum

18-Oct-11 19:04 | RobinPregnancy

Andrew Bazemore from @graham_center on the power of data visualization #dataforum

18-Oct-11 19:01 | kyhealthfacts

RT @kyhealthfacts: Judy Hirsh on YourHealthMatters.com: the bar for quality is set very high and we're reporting on outcomes. #dataforum

18-Oct-11 19:01 | RobinPregnancy

K. Bankston's 3cs for improving health care: collaboration, coordination & connecting the dots. #dataforum

18-Oct-11 18:58 | kellyfiresheets

@SunnieSouthern: "We spend more on Healthcare than China does on everything" @bobkocher #VC2DC #dataforum

18-Oct-11 18:52 | NikolaiKirienko

RT @MGMCincy: Paired kidney donations make living donor transplants more feasible. As pool gets larger, more options available. Jonathan Kopke #dataforum

18-Oct-11 18:50 | kyhealthfacts

Paired kidney donations make living donor transplants more feasible. As pool gets larger, more options available. Jonathan Kopke #dataforum

18-Oct-11 18:40 | MGMCincy

Jonathan Kopke discussing logistics behind paired kidney donation. Need computer to find the best solution for everyone. #dataforum

18-Oct-11 18:39 | kyhealthfacts

RT @MGMCincy: There is no way to look at outcomes unless you look at all patients-that is what a registry does. Trudi Matthews #dataforum

18-Oct-11 18:34 | kellyfiresheets

There is no way to look at outcomes unless you look at all patients-that is what a registry does. Trudi Matthews #dataforum

18-Oct-11 18:32 | MGMCincy

Lot's of opportunities to #Innov8! #Cincinnati has one of the highest rates of adoption of EHRs in the country @HealthBridgeHIO #dataforum

18-Oct-11 18:30 | Innov8forHealth

Cincinnati has one of highest rates of electronic health record adoption in the country at about 50 percent. Trudi Matthews #dataforum

18-Oct-11 18:28 | MGMCincy

A health stat we can be proud of! T. Matthews: #Cincinnati has one of the highest rates of #EHR adoption in the country. #dataforum

18-Oct-11 18:27 | kellyfiresheets

Community average for well managed diabetes patients is 28 percent. About half of local primary care docs are participating #dataforum

18-Oct-11 18:18 | MGMCincy

YourHealthMatters.org has performance data for 45% of area PCPs #dataforum

18-Oct-11 18:17 | kyhealthfacts

Accd to <http://t.co/ncbXqW51>, 28% of patients with diabetes are well-managed. #dataforum

18-Oct-11 18:16 | kellyfiresheets

Your Health Matters has doctor rankings and outcome info about diabetes and cardiovascular disease. Judy Hirsh #dataforum

18-Oct-11 18:14 | MGMCincy

Judy Hirsh on YourHealthMatters.com: the bar for quality is set very high and we're reporting on outcomes. #dataforum

18-Oct-11 18:14 | kyhealthfacts

Public health, open data, and mobile tech/innovation. Glad to know we are on the right track w/our mobile solutions @Interapt #dataforum

18-Oct-11 18:13 | ankg

RT @Innov8forHealth: "What if.... it was as easy to find the right meds as it is to order from Amazon? @PeterMargolis #dataforum

18-Oct-11 18:12 | kellyfiresheets

Collaborative Chronic Care Network creating enhanced registry. James Margolis #dataforum

18-Oct-11 18:10 | MGMCincy

"Core team, story tell'n, pt. & family councils, pts on QI Teams, peer mentoring, open data sharing & info" @PeterMargolis #dataforum

18-Oct-11 18:09 | SunnieSouthern

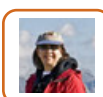

@C3NProject serves as laboratory and proving ground for new approach to care delivery. #dataforum

18-Oct-11 18:09 | kyhealthfacts

RT @Innov8forHealth: #LetsInnov8! "What if.... it was as easy to find the right medication as it is to order a book from Amazon? @PeterMargolis #DataForum

18-Oct-11 18:07 | kyhealthfacts

Patients in remission increased significantly just by sharing info. Peter Margolis #dataforum.

18-Oct-11 18:06 | MGMCincy

#LetsInnov8! "What if.... it was as easy to find the right medication as it is to order a book from Amazon? @PeterMargolis #DataForum

18-Oct-11 18:04 | Innov8forHealth

RT @kellyfiresheets: Check out the new @HealthLandscape. It really is fabulous. #dataforum

18-Oct-11 18:03 | kyhealthfacts

RT @RobinPregnancy: Chronic illness kills too many and costs too much. Dr. Margolis #dataforum

18-Oct-11 18:02 | kyhealthfacts

If a picture is worth a thousand words, a map is worth a thousand pictures. Mark Carrozza #dataforum.

18-Oct-11 17:16 | MGMCincy

Next up at #dataforum Mark Carrozza from @healthlandscape www.healthlandscape.org

18-Oct-11 17:15 | RobinPregnancy

Mark Carrozza from @healthlandscape says all data happens somewhere. #GIS lets you map it #dataforum

18-Oct-11 17:15 | HealthPolicyOH

Mark Carrozza talks about HealthLandscape #dataforum. Amazing mapping capability. Website <http://t.co/3Bxr4gLv>

18-Oct-11 17:15 | MGMCincy

Check out the new @HealthLandscape. It really is fabulous. #dataforum

18-Oct-11 17:14 | kellyfiresheets

This is a true statement! B. Terry: "If you can't use @oasisdata, call Jennifer Chubinski. She's very user-friendly." #dataforum

18-Oct-11 17:14 | kellyfiresheets

Jennifer Chubinski giving live demo of Oasis. Example shows smoking by poverty. Interesting results #dataforum

18-Oct-11 17:11 | MGMCincy

@OASISdata: free, online analysis of community data. #dataforum #dataforum

18-Oct-11 17:08 | kellyfiresheets

Jennifer Chubinski talks about Oasis data archive #dataforum. New feature is to search surveys on questions.

18-Oct-11 17:07 | MGMCincy

Next up at #dataforum is Jennifer Chubinski @oasisdata www.oasisdataarchive.org

18-Oct-11 17:04 | RobinPregnancy

Website <http://t.co/EGTJYIRL> aggregates multiple data health sources for one stop shopping. Sarah Walsh #dataforum

18-Oct-11 17:00 | MGMCincy

RT @Innov8forHealth: Craig Osterhues speaks on great stuff happening in #Cincinnati around #health and #healthcare including @Innov8forHealth #VC2DC #dataforum

18-Oct-11 16:59 | Greendrv

Sarah Walsh quotes Arthur Ashe: Start where you are. Use what you have. Do what you can #dataforum.

18-Oct-11 16:58 | MGMCincy

@kyhealthfacts "We try to provide local health data. It really is YOUR health data." #dataforum

18-Oct-11 16:58 | kellyfiresheets

Kentucky is 6th in binge drinking, not at the bottom of the list for everything. Boo. #dataforum

18-Oct-11 16:57 | RobinPregnancy

State of Community website has easy to use data about community in six categories. Can download data to desktop. #dataforum

18-Oct-11 16:51 | MGMCincy

Watching the #TCC11 stream and the #dataforum stream and thinking about how all these data works going to change the world. #geekedout

18-Oct-11 16:51 | kellyfiresheets

Data paralysis can be too much data or too little data. #dataforum

18-Oct-11 16:50 | RobinPregnancy

Consumer engagement companies that help people use data and provide incentives are areas to watch 4 innovation @Bobkocher #VC2DC #dataforum

18-Oct-11 16:50 | SunnieSouthern

@kyhealthfacts and Health Foundation of Greater Cincinnati have done an amazing job on the #dataforum

18-Oct-11 16:49 | RobinPregnancy

E. Rademacher: Data paralysis can stifle innovation. #dataforum

18-Oct-11 16:49 | kellyfiresheets

Eric Rademacher says data driven decisions don't always happen. We get data paralysis for many reasons. #dataforum

18-Oct-11 16:48 | MGMCincy

RT @kellyfiresheets: @UofCincinnati's CRC (<http://t.co/0Hp6GhTN>) is a GREAT resource for data in the #cincinnati region. Check it out. #dataforum #dataforum

18-Oct-11 16:46 | HealthPolicyOH

Data paralysis is totally real! #dataforum

18-Oct-11 16:46 | RobinPregnancy

@UofCincinnati's CRC (<http://t.co/0Hp6GhTN>) is a GREAT resource for data in the #cincinnati region. Check it out. #dataforum #dataforum

18-Oct-11 16:46 | kellyfiresheets

Eric Rademacher from @uofcincy: it's a happier world for data wonks because more people are looking at data #dataforum

18-Oct-11 16:45 | HealthPolicyOH

Are you a data wonk? #dataforum

18-Oct-11 16:45 | RobinPregnancy

Alternative quality contract in MA - 5 yr contract - we will pay u last year's rate + CPI + 60% shared savings 4 every \$ saved #dataforum

18-Oct-11 16:43 | SunnieSouthern

#dataforum next up @uofcincinnati and Eric Rademacher www.crc.uc.edu

18-Oct-11 16:42 | RobinPregnancy

Barb Terry (@UnitedWayGC) moderating "Innovations for #Community Benefit Planning. #dataforum

18-Oct-11 16:41 | kellyfiresheets

Regardless of politics, all policies under consideration have 5 commonalities (see pic) @bobKocher #VC2DC #dataforum <http://t.co/ceP94rNi>

18-Oct-11 16:25 | SunnieSouthern

1/2 of physicians are employed by hospitals today @BobKocher #VC2DC #dataforum

18-Oct-11 16:21 | SunnieSouthern

The ACA will force hospitals to improve productivity @BobKocher #dataforum - #letsinnov8

18-Oct-11 16:20 | SunnieSouthern

We are going to have to care for people differently when we have 30,000,000 more people to care for- let's Innov8! #VC2DC #dataforum

18-Oct-11 16:18 | SunnieSouthern

@BobKocher shares guiding principles for the ACA #VC2DC #dataforum

18-Oct-11 16:14 | SunnieSouthern

Bob Kocher on health IT innovation "Change quicker, move faster" #dataforum #healthIT

18-Oct-11 16:13 | HlthInnovation

DCtoVC kicks off in Cinci/Northern Kentucky #dataforum #healthIT

18-Oct-11 16:11 | HlthInnovation

@GHideas #dataforum going great. So glad happening in greater #Cincinnati. We need to get you here. Thank you and will do!

18-Oct-11 16:11 | SunnieSouthern

"We spend more on Healthcare than China does on everything" @bobkocher #VC2DC #dataforum

18-Oct-11 16:08 | SunnieSouthern

@SunnieSouthern would love to hear how #dataforum is going. Intro yourself to our teammate and leader Greg Downing for sure.

18-Oct-11 16:05 | GHideas

RT @HealthPolicyOH @humana Brent Densford from @humana Insurer's role w/ #aco is to be a data source #dataforum cc @2healthguru

18-Oct-11 16:00 | GHideas

Brent Densford from @humana: Insurer's role w/ #aco is to be a data source #dataforum

18-Oct-11 15:51 | HealthPolicyOH

Completely agree! RT @MGMCincy: Louisville has mobile app for food inspection scores-great idea-all cities should have this. #dataforum

18-Oct-11 15:50 | KellyFiresheets

Louisville restaurant mobile app gives maps and directions and contact info as well as scores #dataforum

18-Oct-11 15:47 | MGMCincy

RT @MGMCincy: Louisville has restaurant mobile app for food inspection scores-great idea-all cities should have this. #dataforum

18-Oct-11 15:46 | HealthPolicyOH

Next up at #dataforum Matt Rhodes @louisvillekygov <http://t.co/0EjbA2ns>

18-Oct-11 15:41 | RobinPregnancy

25 percent of SparkPeople use us through mobile apps. #dataforum

18-Oct-11 15:39 | MGMCincy

RT @RobinPregnancy: It's great to hear @bobkocher talking about the lack of incentive to do what's best for patients because of financial gain #dataforum

18-Oct-11 15:37 | NormalizeBirth

SparkPeople is largest health and wellness site online. Can track nutrition, fitness, hydration and much more #dataforum

18-Oct-11 15:37 | MGMCincy

@sparkpeople approximately 85% female. Men, where are you?! Get healthy. #dataforum

#dataforum and better yet, don't need to be PhD to figure out how to get it. Coming soon to <http://t.co/3GIS6xlm>. No IP restrictions.

18-Oct-11 14:59 | Greendrv

RT @RobinPregnancy: Healthdata.gov THE website for health data #dataforum

18-Oct-11 14:59 | kellyfiresheets

Health Data Initiative will unleash a "tsunami of datasets." Eagerly watching the horizon! @bobkocher #dataforum

18-Oct-11 14:59 | healthlandscape

Healthdata.gov THE website for health data #dataforum

18-Oct-11 14:59 | RobinPregnancy

@healthdatagov activities: Publish new HHS data, make existing HHS data accessible, publicize data to innovators #dataforum

18-Oct-11 14:58 | kellyfiresheets

#dataforum 2K newly, available, public HHS datasets made open now

18-Oct-11 14:57 | Greendrv

The goal of the health data initiative was to liberate data and catalyze innovation #dataforum they found 2000 new data sets

18-Oct-11 14:56 | RobinPregnancy

RT @Greendrv: #dataforum @bobkocher: perk to working for US Gov: when email HHS from White House, got answers/access to data that used to go ignored

18-Oct-11 14:56 | kellyfiresheets

Turning #HHS not the #NOAA of health data @bobkocher #dataforum

18-Oct-11 14:53 | RobinPregnancy

#dataforum when you open data (via single click blue button), you create marketplace for entrepreneurs to help patients understand data

18-Oct-11 14:53 | AK_Chatterjee

Market transparency in insurance is great! informed decision will help families pick #insurance. @bobkocher #dataforum

18-Oct-11 14:53 | RobinPregnancy

<http://t.co/J531UAMB> has info to evaluate and compare insurance plans. Info from #dataforum

18-Oct-11 14:51 | MGMCincy

#dataforum insurance marketplace also improved, simplified thx to healthcare reforms: +1 broader options, flexibility

18-Oct-11 14:51 | Greendrv

#dataforum when you open data (via single click blue button), you create marketplace for entrepreneurs to help patients understand data

18-Oct-11 14:49 | Greendrv

Blue Button is the epitome of Information Liberation. Why not let people access their own health data? It's about time. #dataforum

18-Oct-11 14:48 | healthlandscape

Attending Data! Fostering Health Innovation in KY and OH convention. <http://t.co/MB6zTZyC> #dataforum

18-Oct-11 14:48 | Greendrv

Blue button allows Medicare and military beneficiaries to download their health data. Need to tell my husband to try it. Learned #dataforum

18-Oct-11 14:48 | MGMCincy

#directproject facilitates electronic communication btwn providers & patients #dataforum

18-Oct-11 14:47 | kellyfiresheets

RT @Innov8forHealth: The 4 \$ reforms that reward innovation -PCMH, ACOs, Bundled Payments, Readmissions Reduction Programs @BobKocher #DataForum

18-Oct-11 14:46 | kyhealthfacts

The 4 \$ reforms that reward innovation -PCMH, ACOs, Bundled Payments, Readmissions Reduction Programs @BobKocher #DataForum

18-Oct-11 14:44 | Innov8forHealth

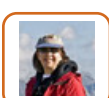

Med Rec and seeing a provider within a week are 2 ways to significantly reduce readmissions @BobKocher #DataForum

18-Oct-11 14:44 | SunnieSouthern

Payment reform wil motivate and reward innovations at a whole new level @BobKocher #DataForum. #Cincinnati Let's #Innov8! (tweet continued)

18-Oct-11 14:41 | Innov8forHealth

Health payment incentives and regulations don't encourage shared savings. That needs to change. ACOs will allow that. Bob Kocher #dataforum

18-Oct-11 14:41 | MGMCincy

RT @kellyfiresheets: @bobkocher: The ACA will speed up the adoption of innovation in healthcare #dataforum

18-Oct-11 14:34 | kyhealthfacts

@bobkocher We have millions of brilliant ideas available - now we want to bring them to scale #dataforum

18-Oct-11 14:33 | kyhealthfacts

@bobkocher: The ACA will speed up the adoption of innovation in healthcare #dataforum

18-Oct-11 14:33 | kellyfiresheets

RT @kellyfiresheets: @bobkocher: New Incentives + Information Liberation = Innovation #dataforum

18-Oct-11 14:31 | AK_Chatterjee

Fee for service is going away says @bobkocher at #dataforum

18-Oct-11 14:31 | RobinPregnancy

The lag time in data has been unacceptable, this is changing #dataforum

18-Oct-11 14:29 | RobinPregnancy

Health system had 92 percent of people using paper a year ago. Not efficient. Bob Kocher #dataforum

18-Oct-11 14:29 | MGMCincy

Thanks to the city of #Covington hosting #dataforum for @kygov and #Ohio
